Hi Peg,

I'm sorry that I will be submitting my Travel request to you on Friday for my trip to start on Monday, January 14 to Bethel, Aniak, and Crooked Creek. I was waiting for Donlin Gold LLC to provide me with a cost for my seat on a one-way chartered plane between Crooked Creek to Aniak on January 17. All other segments will be on commercial airlines.

I could only find lodging in Bethel. I will most likely have to sleep in the school gym in Aniak and Crooked Creek. But please set aside some money for me in the event that a room does become available.

I will submit my travel authorization to you early Friday morning. Thank you for your patience.
